

City Tour Video:

Participants choose a city in Germany, Austria, Switzerland, Liechtenstein, or Luxemburg and create a digital city tour. The video needs to be narrated **in German** and include important sights and fun facts about the city the participant chose.

Participants can use only pictures, only videos, or both. If there is background music, it should not interfere with the student's narration. The video must be **no longer than 3 minutes**.

Judging Criteria

- | | |
|---|-----|
| 1. Content (information about the city) | 40% |
| 2. Quality of German | 30% |
| 3. Artistic Quality | 30% |
